Dear Artist,

My name is Dr. Jillian Carden, and I am the Executive Director of Silverleaf Sexual Trauma Recovery Services. We are a non-profit organization dedicated to preventing and healing the trauma of child abuse, sexual assault, and rape. Our services are provided free of charge to victims and their loved ones across our 8-county region (Breckinridge, Grayson, Meade, Hardin, LaRue, Washington, Marion, and Nelson).

We are inviting you to be a part of something special!

On **Saturday, April 18, 2026**, we will host our 6th Annual Art Gallery & Auction, and we would love to feature work by local artists like you. This evening will be a celebration of creativity, community, and compassion. Proceeds from the event go directly toward our mission of providing quality trauma services to survivors in our communities.

We are seeking artists willing to donate a piece of their work to be sold at the auction. Donations are tax-deductible, and with your permission, we would be happy to promote your generosity on our social media. If you choose, your name, bio, and artwork will be shared with all attendees, giving you a wonderful opportunity to connect with a community of art lovers. By participating, you help us bring light and hope to survivors—and your art helps make that possible.

Enclosed, you will find a demographic sheet to help us properly feature your piece. All artwork should be delivered to the Silverleaf office by **March 2, 2026**. If needed, we would be glad to arrange pickup.

For questions or more information about Silverleaf, please feel free to contact me or visit our website at [silverleafky.org](http://silverleafky.org) and follow us on social media (@silverleafservices).

Thank you in advance for your consideration and support. Your creativity can make a real difference in the lives of survivors.

With gratitude,

Jillian Carden, Psy.D.
